

The Younger Set Will Hold Sway in the Summer's Social Activities

The American Woman

IN the highest and most intellectual circles there is also the magnetic charm of the American woman, the latest and most bewitching development of the eternal feminine. The ease, tranquil good breeding of the English great lady; the finished, vivacious grace of the French hostess; the stately simplicity of the German noble dame still please us. But there is something infinitely more piquant in the careless, fearless sayings and doings of a daughter of the west, with her advanced reading, her worship of the heroic, her utter lack of reverence for rank, authority and convention, her alternate suggestion of the blue-stocking and the ingenue.—J. Henniker Heaton, M. P.

ANNOUNCEMENTS

Akaka Kama club members announce during the week just closed a surprise dance for the morning of Tuesday, July 4, at the Elks' home. It is to be a subscription affair.

Mrs. A. T. Allison has invited a few of the close friends of Mrs. L. H. Harker of Denver, for luncheon Monday afternoon at 1 o'clock in Mrs. Harker's honor.

RECEPTIONS

The wedding reception of Mr. and Mrs. Thomas J. Woods, a bridal couple of June 16, last evening in their new home, 1601 South Elwood avenue, was a very happy and altogether delightful affair. Owing to the fact that their wedding was quiet, attended only by members of the bride's family, after which the young people departed on their honeymoon trip, the reception, for which plans had been formulated for an earlier date, was deferred until such time as Mr. and Mrs. Woods should return and be in their own home.

Yellow and white were chosen as a scheme of decoration, these colors harmonizing best with the furnishings and decorations of the beautiful home, and their expression was made in clusters of yellow and white peonies, against a background of greenery. Mr. and Mrs. J. Randolph House, brother and sister-in-law of the bride and Miss Anna House, her sister, received the guests and made their presentation to the line which included the bridal couple, the bride's parents, Mr. and Mrs. E. J. House, Mr. and Mrs. A. S. Purvine of Muskogee, and Miss Winnie Turner of Eufaula. Two hundred friends called between the hours of 5 and 10 to extend congratulations and wishes for the happiness of the bride couple along life's journey together. An orchestra played during the receiving hours.

Tea, cakes and bonbons were served in the dining room where a group of the younger girls who are friends of the bride, presided. Mrs. John Wolfe and the Misses Ruth Tovey, Bess Hudson, Mary Stanton, Edith Lynn, Edith Carpenter, Clara McJunkin and Helen Thurman, assisted.

CARD COMPANIES

Miss Miriam Murphy entertained the girls of the Wheel club with a pretty morning party yesterday morning as hostess of the affair her cousin, Miss Eva Smith of Topeka, Kan. In addition to the members several visiting girls held hands in the game of auction, of which there were four tables. The prize for top score, a combination coin purse and card-case of white leather, was won by Miss Bess Hudson, while the most favorable, a fancy box of powder puffs, went to Miss Talida Landon of Bartlesville. Luncheon was served at one from the dining table and two smaller tables each adorned with a centerpiece of sweet peas and daisies. The hostess was assisted by her mother, Mrs. Arthur Lee Murphy.

ONE OF JUNE'S LOVELY YOUNG BRIDES

MRS. THOMAS J. WOODS.

Before her marriage, June 15, Mrs. Woods was Miss Blanche House, daughter of Mr. and Mrs. E. J. House. The wedding reception of Mr. and Mrs. Woods in their own home, 1601 South Elwood avenue, was an interesting and pretty affair of last evening.

ing had the members, their husbands and families for a lawn picnic at her home, 412 South Prime avenue. Sunday was spent at the lake. After which the guests were entertained with music by Mr. and Mrs. E. A. Shaw, Miss Vance and Chester Fleming.

WEDDINGS

The marriage of Miss Estelle Ball and Mr. John E. Bennett is announced. The ceremony, which was a very quiet and unostentatious affair, took place last Tuesday evening, June 27, celebrated by the Rev. C. V. Kling, rector of Trinity Episcopal church at the home of Dr. and Mrs. W. R. Arms, 504 South Boulder avenue, where the bride has resided for some time.

As Miss Ball, the bride, was prominently known as the only woman attorney in the city, she having been admitted to the bar a year ago after passing a very creditable examination and standing third in a class of 75 at Oklahoma university.

Mr. Bennett is also an attorney who recently came here from Newark to locate in the practice of law. Mr. and Mrs. Bennett are now on a trip to Chicago and points in the east.

OUTINGS

The summer's activities in Sigma Chi circles were inaugurated with a merry picnic and outing in which members of the local alumni chapter, their families and friends to the number of about forty, participated last evening at Sand Springs park. A series of outings, dances, etc., will be given during the summer months.

DINNERS

Men of the local alumni chapter Kappa Sigma fraternity, gathered at Hotel Tulsa last evening for an informal dinner and smoker.

It was a get-together occasion for the purpose of outlining plans for the summer social season and first arrangements were made for a series of dances and picnics during the next two months. Places were set for Messrs. James Ball, Herbert C. Redgrave, Robert Berry, Earl Miller, V. K. Hughes, Keith Miller, Ralph Berry, R. W. Ramsey, Bright John R. Woodward, James Brown, Cassie Holteray, Doctor Lemmon and Mr. Edward Galt of Ardmore.

Mr. and Mrs. Presley G. Walker Jr., entertained quite informally at dinner last evening at their beautiful new home in Maple Ridge. For decoration of the dining table, a black and white holder filled with

larkspur, cornflowers and sweet peas was used. There were covers for ten guests.
